

Inspiring Individuals, Nurturing Potential, Successful Futures

Mission and Promise

Through **enriching** experiences and an **ambitious** curriculum, we prepare each of our pupils to become **creative, independent, resilient** and **reflective** instilled with a love of learning.

A focus on individuality, in partnership with parents, is what makes Weston Green unique. Throughout their educational journey, we enable every child to fulfil their **potential** as collaborative and adventurous learners who **successfully** achieve their choice of future schools.

School Strategy & Priorities

To ensure that we continue to deliver our vision for each of our pupils, we develop our School Progress Plan actively with our staff, taking into account the views of our parents and children:

Our School Progress Plan aims to:

- Deliver an enriched & academic curriculum demonstrating excellence in core skills that will enable our pupils to be curious, inspired and challenged to fulfil their potential
- Ensure an engaging methodology for all that is aspirational, enriching and successful in evolving to meet the demands our children's presence in this ever-changing world
- Develop each pupils' deep understanding of themselves and their relationships with others and the world around them, to ensure they are adaptable, flexible and emotionally independent

Values

Our mission is expressed through our Personal Values that form the guiding principles of everything we do. Our pupils leave us as **well rounded individuals who are:**

Weston Green School

Strategy 2022 - 2023

Weston Green School constantly undertakes a series of activities to evaluate its provision. As part of this, the school seeks the views of those closest to the school - pupils, staff and parents - to understand areas of strength and particular points for development.

These findings, through this year, have been incorporated into the strategic priorities for the school.

Over the next academic year, our strategic focus will be to ensure the perception and reputation of Weston Green School acknowledges the impact and opportunities for academic excellence, enrichment and challenge for all pupils.

This focus will be 3 way:

Academic Excellence

Opportunities for pupils across the school for academic enrichment and excellence are increased and broadened. Ensuring that we maximise experiences for children to excel academically individually and collaboratively and be inspired by the journeys of others, as well as be explicit in how we do this with parents and the wider community.

You will notice such events as:

- Visiting guest speakers
- A developing alumni programme
- Teaching and learning workshops for parents
- A regular glimpse into the work of our specialist teachers
- Future school planning events

Academic Enrichment

The perception and reputation of Weston Green illustrates the strength of both the academic and nurturing focus of the school with a focus on how we enrich the children's experience across the curriculum.

You will notice:

- An improved sports offer with sports for both boys and girls
- A revised club offer each term with an extended and enriched choice
- More opportunities to understand the impact of the work of our specialist teaching team through exhibitions and the regular 'Glimpse into' section of the bulletin
- Increased opportunities for internal and external competition for all

Communication

Communication channels are effective in representing all aspects of the school and securing continued growth for the future.

You will notice:

- An increased social media presence that captures the academic successes amongst the broad range of Weston Green life.
- A revised Weekly Bulletin that details more of life at Weston Green
- Improved opportunities for closer relationships with parents
- Parent workshops aimed at improved understanding of learning across the curriculum.
- Increased communication from our specialist teachers
