Autumn Term Clubs				
Key Stage	Day	Club	Led by	Description for parents
Reception	Mon	Art Club	Mrs Stratford	An opportunity to have fun and be creative spiders. Each week, we will explore creating artwork with a variety of different mediums and resources
	Wed	STEM	Mrs Mossop	You're never too young to develop a life-long passion for all things Science, Technology, Engineering and Mathematics! A range of fun, engaging and thought-provoking challenges and experiments
	Thur	Ball Sports	Mrs Mackenzie	Exploring the skills required for any and all ball sports! Developing coordination and agility through a series of fun games
KS1	Mon	Netball (mixed)	Miss Coates	Developing teamwork, coordination and netball matchplay skills through games and mini matches
	Mon	Strategy Games - Board Games	Mrs Mackenzie	Planning ahead, analysing different scenarios and trying to outfox the other players... board games are a great way to develop strategy skills for all aspects of life
	Tue	Football (mixed)	Mr Sheridan	Developing teamwork, coordination and football matchplay skills through games and mini matches

Weston Green School

	Tue	Creative - Sewing	Mrs Mackenzie	Being creative spiders and learning how to sew - a great skill to build coordination and dexterity, while making something imaginative
	Tue	Circus Skills	Mr Headey	Developing coordination, agility and balance through a range of exciting circus skills. Juggling, plate spinning, stilt walking and unicycling (please bring a cycling helmet!)
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Wed	IT - Coding	Mrs Colliver	Using a range of software and hardware to explore the world of coding and programming, building games and fostering creativity
	Thur	STEM	Mrs Colliver	Growing a life-long passion for all things Science, Technology, Engineering and Mathematics! A range of fun, engaging and thought-provoking challenges and experiments
	Thur	Performance	Miss Barrett	Developing confidence, expression and performance skills through a range of singing and drama activities
KS2	Mon	Creative Writing - Authorfy	Miss Baynham	Building a passion for reading, storytelling and writing through the Authorfy approach - a range of activities, games and resources to engage and excite
	Mon	STEM - Engineering	Mr Beal	Growing a life-long passion for all things Science, Technology, Engineering and Mathematics! A focus on problem solving through engineering, using a range of construction materials and resources.
	Mon	Football (girls)	Mr Sheridan	Developing teamwork, coordination and football matchplay skills through games and mini matches

Weston Green School

	Tue	Football (mixed)	Mr Sheridan	Developing teamwork, coordination and football matchplay skills through games and mini matches
	Tue	Creative - Sewing	Mrs Mackenzie	Being creative spiders and learning how to sew - a great skill to build coordination and dexterity, while making something imaginative
	<i>Tue</i>	<i>Orchestra</i>	<i>Mrs Carrel</i>	Invitation only. Parents can email Mrs Carrel at ccarrel@westongreenschool.org.uk to request an invitation/audition if they think their child might fit the criteria - at least 1 term of lessons on a hand held instrument plus knowledge of basic notation
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt previously in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Wed	Philosophy for Children	Mrs Evans	Years 4-6. Exploring a question or point of view each week, discussing themes such as: How do we know what is right or wrong? What makes us human? How should we treat animals? Are the best things in life for free? We will talk and explore together and develop reasoning skills
	Thur	Netball (mixed)	Dr Summers	Developing teamwork, coordination and netball matchplay skills through games and mini matches
	Thur	French	Mdme. Petrakaki	Year 5 pupils in the autumn term. A French language club providing a fun and interactive opportunity to practise language skills - grammar, spelling and vocabulary - through games
	Thur	IT - Coding	Mr Lang	Using a range of software and hardware to explore the world of coding and programming, building games, fostering creativity and seeing real-world applications

Weston Green School

	Fri	Circus Skills	Mr Headey	Years 3-4 in the autumn term. Developing coordination, agility and balance through a range of exciting circus skills. Juggling, plate spinning, stilt walking and unicycling (please bring a cycling helmet!)
