Spring Term Clubs				
Key Stage	Day	Club	Led by	Description for parents
Reception	Mon	Art Club	Mrs Stratford	An opportunity to have fun and be creative spiders. Each week, we will explore creating artwork with a variety of different mediums and resources
	Wed	Ball Sports	Mrs Mackenzie	Exploring the skills required for any and all ball sports! Developing coordination and agility through a series of fun games
	Thur	STEM	Mrs Mossop	You're never too young to develop a life-long passion for all things Science, Technology, Engineering and Mathematics ! A range of fun, engaging and thought-provoking challenges and experiments
KS1	Mon	Multisports (mixed)	Mr Sheridan	Developing a range of agility, coordination and game-based skills, that can be applied across a wide variety of sports.
	Mon	Strategy Games - Board Games	Mrs Mackenzie	Planning ahead, analysing different scenarios and trying to outfox the other players... board games are a great way to develop strategy skills for all aspects of life
	Tue	Hockey (mixed)	Mr Sheridan	Building the technical skills, game management and teamwork required to excel at hockey. All through a fun combination of game-based activities and games.
	Tue	Arts & Crafts	Mrs Mackenzie	Being creative spiders and learning how to make arts and crafts - a great skill to build coordination and dexterity, while making something imaginative

Weston Green School

	Tue	Circus Skills	Mr Headey	Developing coordination, agility and balance through a range of exciting circus skills. Juggling, plate spinning, stilt walking and unicycling (please bring a cycling helmet!)
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Thur	STEM	Mrs Colliver	Growing a life-long passion for all things Science, Technology, Engineering and Mathematics! A range of fun, engaging and thought-provoking challenges and experiments
	Thur	Dance	Miss Pollard	A chance for the children to explore their creative sides through dance and song!
	Fri	Robotics Club	Mrs Colliver	Build custom mazes, solve puzzles, and take control of the wheel to drive. Learn coding concepts and kick programming into high gear with even more options to spark interest in computer science.
KS2	Mon	School Newsletter /Magazine	Miss Baynham	Develop writing and journalism skills whilst working together to create a school newsletter or magazine, keeping pupils informed about the latest events in school!
	Mon	Hockey (girls)	Mr Sheridan	Building the technical skills, game management and teamwork required to excel at hockey. All through a fun combination of game-based activities and games.
	Tue	Hockey (mixed)	Mr Sheridan	Building the technical skills, game management and teamwork required to excel at hockey. All through a fun combination of game-based activities and games.
	Tue	Creative - Craft & Sewing	Mrs Mackenzie	Being creative spiders and learning how to make crafts and sew - a great skill to build coordination and dexterity, while making something imaginative
	Tue	Orchestra	Mrs Carrel	Invitation only. Parents can email Mrs Carrel at ccarrel@westongreenschool.org.uk to request an invitation/audition if they think their child might fit the criteria - at least 1 term of

Weston Green School

				<i>lessons on a hand held instrument plus knowledge of basic notation</i>
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt previously in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Wed	Poetry Club	Mrs Hawkins	An opportunity to enjoy reading, listening to and writing poetry. There are lots of ways of writing poetry, and it often helps to just start, and to keep writing. The more you write, the easier it becomes!
	Thur	Multisports (mixed)	Dr Summers	Developing a range of agility, coordination and game-based skills, that can be applied across a wide variety of sports.
	Thur	French	Mdme. Petrakaki	Year 3&4 pupils in the autumn term. A French language club providing a fun and interactive opportunity to practise language skills - grammar, spelling and vocabulary - through games.
	Thur	Origami Club	Miss Burns	Learning the art of paper folding to create different objects. The children will learn some of the different folds and towards the end of term can use these skills to create their own objects.
	<i>Fri (AM/PM)</i>	<i>ISA U11 Hockey/Football</i>	<i>Mr Morgan</i>	<i>Invitation only.</i> <i>The ISA U11 football and Hockey training will be on Friday mornings 8am to 8.25 and Friday afternoons from 4pm to 5pm. Mr Morgan will contact parents.</i>
	Fri	Circus Skills	Mr Headey	Years 3-6. Developing coordination, agility and balance through a range of exciting circus skills. Juggling, plate spinning, stilt walking and unicycling (please bring a cycling helmet!)
