Summer Term Clubs				
Key Stage	Day	Club	Led by	Description for parents
Reception	Mon	Art Club	Mrs Stratford	An opportunity to have fun and be creative spiders. Each week, we will explore creating artwork with a variety of different mediums and resources
	Wed	Introduction to Sports	Mrs Mackenzie	A mix of athletics, throwing / catching and various batting skills. Exploring the skills required for any sports! Developing coordination and agility through a series of fun games
	Thur	STEM	Mrs Mossop	You're never too young to develop a life-long passion for all things Science , Technology , Engineering and Mathematics ! A range of fun, engaging and thought-provoking challenges and experiments
KS1	Mon	Strategy - Board Games	Mrs Mackenzie	Planning ahead, analysing different scenarios and trying to outfox the other players... board games are a great way to develop strategy skills for all aspects of life
	Tue	Cricket (mixed)	Mr Sheridan	Building the technical skills, game management and teamwork required to excel at Cricket. All through a fun combination of game-based activities and games.
	Tue	Arts & Crafts	Mrs Mackenzie	Being creative spiders and learning how to make arts and crafts - a great skill to build coordination and dexterity, while making something imaginative
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Thur	Art Computing	Mrs Colliver	We will use a variety of different tools to create digital art and then turn these into holograms so

Weston Green School

				they become 3D versions. A range of fun, engaging and thought-provoking challenges and experiments
	Fri	Robotics Club	Mrs Colliver	Build custom mazes, solve puzzles, and take control of the wheel to drive. Learn coding concepts and kick programming into high gear with even more options to spark interest in computer science.
KS2	Mon	Mindfulness Book Club	Mrs Trueman	Exploration of stories and books with a mindfulness, meditative twist! Perfect for the end of a busy Monday at school. We will be reading books we know already and books new to us all. We will spend time chatting about the plot, character and trying to guess what might happen next!
	Mon	Strategy Board Games	Mrs White	Planning ahead, analysing different scenarios and trying to outfox the other players... board games are a great way to develop strategy skills for all aspects of life
	Tue	Boys Cricket	Mr Morgan	Building the technical skills, game management and teamwork required to excel at Cricket. All through a fun combination of game-based activities and games.
	Tue	Creative - Craft & Sewing	Mrs Mackenzie	Being creative spiders and learning how to make crafts and sew - a great skill to build coordination and dexterity, while making something imaginative
	Tue	Orchestra	Mrs Carrel	Invitation only. Parents can email Mrs Carrel at ccarrel@westongreenschool.org.uk to request an invitation/audition if they think their child might fit the criteria - at least 1 term of lessons on a hand held instrument plus knowledge of basic notation
	Wed	Basketball	Lions Basketball	Developing teamwork, coordination and basketball matchplay skills through games and mini matches
	Wed	Yoga	Mrs Allsop	Continuing to develop the skills learnt previously in their yoga lessons through a series of movements, breathing exercises and relaxation techniques
	Thur	Origami	Miss Burns	Learning the art of paper folding to create different objects. The children will learn some of the

Weston Green School

				different folds and towards the end of term can use these skills to create their own objects.
	Thur	Girls Cricket	Mr Morgan	Building the technical skills, game management and teamwork required to excel at Cricket. All through a fun combination of game-based activities and games.
	Thur	French	Mdme. Petrakaki	A French language club providing a fun and interactive opportunity to practise language skills - grammar, spelling and vocabulary - through games.
