

# House Competitions

## **Aims**

Weston Green School house teams aim to give pupils a greater sense of community within the whole school community. Pupils will have the chance to engage and interact with other pupils across the school by participating in numerous inter house events and activities that occur throughout the school year.

## **Our Houses**

Arbrook

Ditton

Fairemile

Littleworth

## **Why these house names?**

The four houses represent commons in the local area around our school.

## **House Points**

The house system allows pupils to contribute to school life by taking part in inter house events and activities that run throughout the year. Pupils can also earn individual house points for a variety of reasons including outstanding effort on classwork or homework tasks, going above and beyond at break and lunch time, behaviour and manners.

## **House Competitions**

There are a number of house competitions throughout the school year and they range hugely to ensure that all pupils can engage with as many of the activities as they would like to during their time at WGS.

House competitions offer the most house points in one event:

1st place - 200

2nd place - 150

3rd place - 100

4th place - 50

Some examples of house competitions:

- Sports Day
- Christmas Card Design
- Poetry
- Game fitness test - TBC
- Photography competition
- Black History month presentation
- WGS Talent Show - TBC
- Baking competition
- Mufti day - wear your house colours
- Music

- Singing
- Netball
- Football
- Hockey
- Cricket

### **House Captains & Deputy House Captains**

Each house will have a house captain from Year 6 and a Deputy House Captain from Year 4.

Their main roles are to:

- Promote the latest competition
- Work with staff to select winners from house competitions
- Be the representative for their house
- Encourage their team members to participate in events
- Proudly lift the house cup if their house wins!
